STATIONERY & TOILETRIES

We use a variety of different Stationery & Toiletry items throughout the year in large abundance

In order to ensure the smooth, effective running & supplies throughout the year we require an amount of R1250 for the year. This works out to a minimal R104 pm. This amount is payable at the beginning of the school year or pro rata calculated if starting during the year

SECURITY LEVY

To ensure the safety of our Children & Staff we have a R125pm per family security levy payable monthly. This means we have a trained, professional guard employed by Forte Protection Services at both entrances.
