2026 RATES

● STATIONERY & TOILETRIES

We use a variety of different stationery & toiletry items throughout the year in large abundance

In order to ensure the smooth, effective running of supplies throughout the year we require an amount of **R1350** per child for the year. This works out to a minimal R112 pm. This amount is payable at the beginning of the school year or pro rata if starting during the year

● SECURITY LEVY

To ensure the safety of our children & staff we have a **R130** per family security levy payable monthly. This means we have a trained, professional guard employed by Forte Protection Services at both entrances.
