2027 RATES

STATIONERY & TOILETRIES

We use a variety of different stationery & toiletry items throughout the year in large abundance

In order to ensure the smooth, effective running of supplies throughout the year, we require an amount of R1400 per child for the year. This works out to a minimal R116pm. This amount is payable in Jan 2027 or pro rata if starting during the course of the year.

SECURITY LEVY

To ensure the safety of our Children & Staff, we have a R140 per family security levy payable monthly. This means we have trained professional guards employed by Aragon Kusela at both entrances.
